~KEVIN JAMES NATT~

REFLECTION OF LIFE

KEVIN JAMES NATT was born on January 26, 1976 in Lafayette, LA. He was the third child, and only son, born to Josephine Natt. Kevin had a special place in everyone's heart, and was tremendously spoiled by his oldest sister, Arlene. He was raised in Lafayette, LA and was a 1996 graduate of Lafayette High School. Following his graduation, he began a career as a machinist.

As a child, Kevin overcame several obstacles and sought to defy all odds. Despite his barriers, he kept a positive outlook on life and remained confident, prayerful, and thankful for the blessings he received each and every day. Even on his worst day, he never complained and embraced all obstacles with a smile. He accepted Christ as his Savior at a young age and accredits our Heavenly Father for all of his strength and endurance.

Kevin had a great love for life and family. On October 8, 2008, he married the love of his life, Shamickia Vallier and together they created a warm and loving home in Houston, TX. He enjoyed sharing his witty charm, infectious laughter, and life skills with all who came in contact with him. He was a compassionate individual who always sought various ways to lend a helping hand to anyone in need. In his spare time, he enjoyed watching sports, boiling seafood, eating, and traveling with his wife.

HIS EARTHLY DEPARTURE

Kevin completed his life's journey on Monday, December 23, 2019 surrounded by his family and friends. He was preceded in death by his beloved mother, Josephine Natt; maternal grandparents, Mayola and Joe Natt; nephew, Juwan Washington; uncles, Jimmy Natt and Arthur Simpson; aunt, Rosemary Natt; and best friend, Cedric Vallier.

2 Timothy 4:7

My handsome Blueberry,

You came into my life and completely changed it for the best.

The love we shared is all I know, and I am so thankful to God for allowing our friendship to flourish into this beautiful union. Our love is something for the books that I often read about (smile). A fairytale to some, but to us it was just our LOVE. I miss you so much and it pains me to know that you are no longer here with me. I am thankful that we made it a point to share and express our love daily. Every hour, every minute, every second, my heart would beat for you. I know without a shadow of a doubt what I meant to you each and every day. You showed me the true meaning of unconditional love! We grew together, laughed together, prayed together, traveled together, but most of all, we loved each other, together. I am so thankful that God allowed our paths to align with each other as adults. I remember that day like it was yesterday. You were such a wonderful man then and you are an even greater man now. You were everything I ever wanted in a companion. You loved me wholeheartedly and selflessly. God molded each one of us, for the other. I will forever be grateful and thankful to God for the life you gave me. I don't know what life will be like, without you here with me. I know the exact time and date you left me, because a piece of my heart left with you. I felt your departure because that's how connected we were and that's how solid our bond was. I love you, Kevin. I promise to accomplish all of the goals we aimed to conquer together. I promise to continue to make you proud. I will love you forever and always!!!

Until we meet again my love.

I Am Always With You!

*I have so many things to see and do,
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.
I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.
So grieve for me a while, if grieve you must
Then let your grief be comforted by trust
That it is only for a while that we must part,
So treasure the memories within your heart.
I won't be far away for life goes on.
And if you need me, call and I will come.
Though you can't see or touch me, I will be near
And if you listen with your heart, you'll hear
All my love around you soft and clear
And then, when you come this way alone,
I'll greet you with a smile and a "Welcome Home!"*

My Loving Brother

Brother I'll be missing you. You're special and you mean the world to me. I am so glad I had you for my brother. We've shared so many memories of happiness, love and laughter. These fond memories will never die. Your love will always live in my heart. Thanks for the memories I can cherish in my heart forever. From a little boy to a man, you always had a smile and spoke few words, but you were always kind, nice, gentle and respectful. Everyone you encountered liked you and had nothing but loving things to say about you. Words cannot express my sadness. I will miss your presence in my life. I will miss seeing you and talking to you every day. I wish I could have said "I love you" just one more time. As hard as it is to say goodbye, I'll just say "goodbye" until we meet again. I keep wishing this is a dream.

I'm going to miss you like crazy.

*Love Always,
Your Sister Arlene*

## *Our Beloved Brother*

*The time has arrived. God's call is in order, for a celebration of new world and eternal life in Paradise. The Gates of Heaven have opened for our brother Kevin Natt. We will truly miss you. You were a brother of kindness, happiness, love and care. Thanks so much for who you were. You had such a big heart. When your golden heart stopped beating, it broke our hearts into pieces. As sisters, we were honored to have traveled life's journey with you. You have been a wonderful joy of our lives. Sometimes the uncertainties of life can throw us on a crooked road, but the God we know and serve is always there to pick us up and he makes no mistakes. As we mourn with teary eyes, we also celebrate you. Kevin, you were a good brother, husband, uncle, brother-in-law, son-in-law, cousin and friend. We will forever love you, think of you, miss you and remember your kindness and your radiant smile. We know you are looking down on us from Heaven smiling. So whenever we are having special thoughts of you, we will look up to the sky (shining star) with a smile. You will be treasured in our hearts forever.*

*Your Loving Sisters,  
Camella, Scarla and Arlene*
