THE LIFE OF

Susan Williams

Susan Ann Green Williams was born February 03, 1968 to the Union of Samuel and Shirley (Brown) Green in Houston, Texas. She grew up in McGregor Place and attended Will Rogers Elementary, Lanier Middle School, and then graduated from Lamar High School in 1987. She attended the HBCU, Texas Southern University. At the age of 13, and while attending Vacation Bible School (VBS) at Mount Corinth Baptist Church, she met and later married the love of her life, Mark Williams. Together they had three children: Marquel Marie (Adrian) Williams, Mark Termene Williams II, and Matthew Rashad (Tanisha) Williams.

Susie was a fun loving and sweet person. She was known on sight by her freckles. Her classmates lovingly referred to her as Peppermint Patty, a name endeared to her by her best friends Felicia and Shunda. She loved these sports best: volleyball, basketball, and track. Spades was the game that she enjoyed most to share with her family and friends. And if you really knew Susie, then you know that she had to visit the state of Louisiana. Being around Susie was always a blessing. She showed her love for God in how she treated people. If she was able to assist or do something to help anyone, she did or she would send out an S.O.S. on behalf of someone, to let others know that they needed assistance. She used her time and talents to make life easier for those around her.

She is preceded in death by her Grandparents, Parents, In-Laws, and Nephews Byron & Dorian. She leaves behind her husband of 36 years, Mark. Her children, Marquel (Adrian), Mark, and Matthew (Tanisha). Grandchildren, Isaiah, Zanobia, Adrian, Jr, and Adrianna. Her brothers Samuel, Jr., (Melva), Christopher, Ray (Geraldine), Patrick (Mary), and Carelton (Tiffany). Her Sisters, Shirl Renee (James), Mary, and Thelma (Carl). Nieces: Ange', Katrina, Shionna, Crystal, Latavia, Anetra, Shaytrol, Samantha, Precious, Paige, Jessica, Shemora, Sheri, Kerri, and Sheena. Nephews: Carjaseph, Patrick, Christopher, Ray, James II, Kristopher, and Chandler.

MESSAGE FROM HER

Husband

I realized I never married you to live with you. I married you because I couldn't live without you. I may not have been your parents first choice, however you were mine and I was yours. I may not have been the first boy that saw your smile, but I know I was the first man to recognize that smile was created just for me. I know I was, yours first because you spent a lifetime showing me, and making me feel that way. I may not have been your first kiss, but our first kiss opened my heart and filled my spirit, and on December 08, 2024 that last kiss broke my heart. I may not have been your first in some things , but I'm proud and privileged, I was your last in everything.

MESSAGE FROM HER LITTLE FOOT

Mark T. Williams II

There will never be enough time to find the words to express how grateful I am to have had you as a mother, a guide, and now an eternal cheerleader. You taught me that no matter what I did I had the power and ability to become the best there ever was. So may my actions and every step I take henceforth speak for me. May the world experience your love and warmth through me.

MESSAGE FROM HER BABY BOY

Matthew R. Williams

Hey momma I just want you to know no matter how old I get, I will always be your baby boy and I am so grateful and blessed to be your son. I had so many amazing and funny memories with you and I just want to tell you thank you for never giving up on me

and always believing in me. Thank you for loving me so much, even at my worst. It's gone be hard here without you, but I promise I will make you proud.

MESSAGE FROM CLASSMATES

Lamar HS Class of 87 / 88

From Felicia: Susan "Peppermint Patty" and I were like sisters. Susie & Shunda Sean

Caraway would pick me up on their bicycles, Susie would put me on her handle bars & ride the neighborhood all day. She loved for us to play with her "Easy Bake Oven", so she could bake brownies & cake for us. You couldn't ask for a better big sister or best friend for over 50 yrs . Susie was a joyful,

loyal, sweet person. We had fun, funny memorable childhood moments & stories. Your classmates will you-Will Rogers, Lanier MS, Lamar HS c/o 87.

MESSAGE FROM CLASSMATES

Lamar HS Class of 87 / 88

I am so sorry to see you go Susan "Big Sue" Williams (nee Green). I do believe that you and your brother (Carelton) were the first kids that my sister and I met in the neighborhood. I enjoyed our upbringing together. Our childhood was filled with joy, laughter and respect for one another as well as our parent(s). We did so many things together such as playing dodgeball, kick ball, bike riding, and park events that my mother's job used to host, just to name a few. Although we did not communicate on a regular basis once becoming adults, I made sure to stay in contact with Carelton, always asking about your state of being and welfare. My biggest, fondest memory of you Sue is how you protected me from others. You made sure that no one picked on me "Of course, this was due to my small stature as a child". Furthering, this was meant for Carelton as well (LOL). As I am writing this, I am still in a state of shock over your passing. You, Felicia and myself were just on the phone December 2, 2024 and I told you that I was coming home next summer, and that we all were going out for lunch. Nevertheless, how heartbroken my sister and I are at the moment because you were family but we understand that this is the Lord's way and his way will always prevail. You are truly going to be missed by my sister and I. Rest Easy Susan

Always love, family
