Memories

My Angel Daughter

The moment your heart stopped
MINE CHANGED FOREVER.
You left your **BLUEPRINT** in my mind,
Your **HANDPRINT** on my heart,
And your **IMPRINT** on my soul.
If tears could build a stairway
and memories were a lane;
I would walk right up to HEAVEN
and bring you home again.
I LOVED YOU YOUR WHOLE LIFE...
and I'll miss YOU for the rest of mine.
No one can ever take
your place in my heart.

Love, Mom

In Loving Memory of Our Wonderful Auntie

Of all the special gifts in life
however great or small,
To have you as our Auntie
was the greatest gift of all.
May the winds of love blow softly,
and whisper in your ear...
"We love and miss you Antie,
and wish that you were here."
Deep in our hearts your life is kept,
to love and cherish, not forget.
No more tomorrows we can share,
But yesterdays are always there.
A silent thought, a secret tear,
Keeps your memory ever near.

*In Our Hearts Forever,
Meosha & Miracle*

We'll See You Again

Auntie, we miss you so much.
Even though you're in Heaven now,
we know you're still watching over us.
We remember your hugs, your laughs,
and all the fun times we had.
We'll always keep you in our hearts
and think of you every day.
We love you, Auntie,
and we'll see you again one day.

Tributes

In Loving Memory of Our Beloved Aunt

Your warmth, wisdom, and
endless love will forever be etched
in my heart. You were more than
an aunt; you were a guiding light,
a source of comfort, and a true
friend. Though you are no longer
with us, your spirit lives on in the
cherished memories we hold
dear. Rest in peace, knowing how
deeply you were loved and how
profoundly you will be missed.

Until We Meet Again

You always had a smile to share,
time to give and time to care.
You will forever be in our hearts!
Thank you for all the great
memories and laughter we shared.
Today is not goodbye; it simply
means we'll miss you until
we meet again.

Gone, But Never Forgotten

You touched our lives in ways words
cannot describe. Your laughter, love,
and presence brought joy to everyone
around you. You were a major part
of every milestone in our lives,
and we will cherish you forever.
Though you are no longer here,
your memory remains a guiding
light in our hearts. Rest peacefully,
knowing you are deeply loved
and missed every day.

The Broken Chain

We little knew that day,
God was going to call your name.
In life we loved you dearly,
In death, we do the same.
It broke our hearts to lose you.
You did not go alone.
For part of us went with you,
The day God called you home.
You left us beautiful memories,
Your love is still our guide.
And although we cannot see you,
You are always at our side.
Our family chain is broken,
And nothing seems the same,
But as God calls us one by one,
The chain will link again.

The Day You Left

The day you left and gained your wings
My heart just broke in two.
I wish you could have stayed with me
But heaven needed you.
You left me with only memories,
I love you dearly still.
No matter how much time goes by
You know I always will.
You were a very special person
With kindness in your heart
And the love we had together
Grows stronger now we're apart
I know I cannot bring you back,
Although I wish it every day
But a piece of me went with you
The day you went away.

Goodbyes are not forever
goodbyes are not the end
they simply mean I'll miss you
until we meet again.
You left such an impression on our
hearts, life without you will never be
the same. We will miss you dearly.

Yvette & Jack

*As I embark on this journey, my heart filled with light,
Know that my love remains, like stars in the night.
I leave you with memories, warm and so dear,
With laughter and kindness, and moments of cheer.
Do not weep for me long, though our time has to end,
For I have cherished each moment, my family, my friends.
Carry on with your lives, with courage and grace,
And know that I'm with you in each smile that you place.
Be strong and be gentle, and love without fear,
For life is a treasure, so precious and clear.
In your hearts, I shall dwell, forever to stay,
Guiding you softly, from heaven's bright ray.*
